Work Health and Safety Policy

(ABN 41 068 031 407)

RBD Electrical Pty Ltd is firmly committed to enabling all work activities to be carried out safely, and with all possible and reasonably practicable measures taken to eliminate hazards and reduce risks to health, safety and welfare of our workers, contractors, authorised visitors and anyone else who may be affected by our operations.

We are committed to ensuring we comply with the *Work Health and Safety Act 2012*, the *Work Health and Safety Regulations 2012* and all applicable Codes of Practice and Australian Standards. This commitment means that we will:

- Provide a safe and healthy workplace and working conditions for all, including employees, contractors, customers and visitors;
- Establish measurable objectives and targets to ensure continued improvement aimed at elimination of work-related injury and illness;
- Provide training, support and assistance to enable all employees to work safely;
- Consult with, and encourage the participation of, workers and workers' representatives on all relevant matters pertaining to work health and safety;
- Provide adequate resources to aid workers in fulfilling their work health and safety responsibilities.

Application of this policy

We seek the co-operation of all workers, contractors, clients and other persons relevant to RBD. We encourage suggestions for realising our work health and safety objectives to create a safe working environment with zero harm.

This policy is subject to annual revision and applies to all RBD operations and functions.
